

PRODUCT FAST LANE

How to: Download Order Information

Login to your account at www.productfastlane.com

Click "MUD PIE" to enter your Mud Pie dashboard

Click on the bottom menu option, "DOWNLOAD ORDER HISTORY"

Select the date range to pull needed orders and click "SEARCH"

On this screen, all orders in the selected date range can be viewed. The items in the order can be previewed by clicking on the order number.

Click:

PRODUCTS - to download product information to the available template

ASSETS - to download all photos of items on the order to a zip file

ALL DATA - to download a zip file of all photos and item information on the selected order
